

**THE NOBLE COLLECTION ANNOUNCES LICENSING
COLLABORATION WITH DISNEY, PIXAR, MARVEL,
AND STAR WARS™**

Legendary stories. Timeless play. Game Nights will be reimagined with an exciting line of Chess Sets, Games, and Game Accessories inspired by classic Disney, Star Wars, and Marvel universes

LONDON, UK (February 12, 2026) – The Noble Collection, a leading manufacturer, distributor, and retailer of premium collectibles and toys, announces a new licensing collaboration with Disney Consumer Products to introduce an exciting range of chess sets, games, and game accessories inspired by classic Disney Animation, Pixar, Marvel, and *Star Wars*™.

Designed to transform game night into a shared, story-driven experience, the new collection will bring some of your beloved characters and legendary worlds to the table through classic and contemporary games and accessories. Rooted in the company's long-standing expertise as a premier creator of licensed chess sets and display-worthy collectibles, the new games portfolio blends thoughtful design, storytelling, and play.

Launching Holiday 2026 in North America and Europe, the assortment will include Chess sets, Checkers, Mahjong, balance games, dice towers, dice cups, and additional game essentials, each crafted with The Noble Collection's signature attention to detail and premium quality. A deluxe, collector-focused Star Wars chess set is planned for 2027 to commemorate the 50th anniversary of *STAR WARS: Episode IV – A New Hope*.

"We're thrilled to collaborate with Disney and honoured to work with such iconic brands," said Julian Montoya, SVP at The Noble Collection. "Disney's wonderful storytelling has a unique way of bringing people together, and at The Noble Collection we believe games do the same. Our focus on craftsmanship, detail, and storytelling allows us to create games and accessories that celebrate these beloved worlds and characters, transforming game night into an exciting, shared experience for fans, collectors, and families alike."
