THE ICONIC YELLOW ONE!

www.drpawpaw.com

Made and manufactured in the UK, the family owned brand brought the first UK PAWPAW balm to market. The formula is both fragrance and flavour free making it suitable for all skin types and everyone in the family at all stages of life. Enriched with a powerful formula containing the superfood **PAWPAW** (Papaya Fruit) with a base of **Castor Oil**. The addition of **Olive Oil** and **Aloe Vera** create a kind to skin balm that gently soothes and nourishes both lips, skin and hair. One balm = multiple uses = less waste.

Housed in 100% recyclable packaging and created with 30% PCR plastic to stay true to the Dr.PAWPAW brands sustainable ethics and mission.

Don't just take our word for it, over almost 10 years **Dr.PAWPAW Original Balm** has established an impressive fan base of A-list celebrities including Victoria Beckham, Emma Watson, Elle MacPherson, Channing Tatum, Alicia Keys and Chris Hemsworth to name but a few.
