

WAKEN
 MOUTHCARE

**CHRISTMAS GIFTS
 TO MAKE THEM SMILE**

This Christmas, if you're looking for something different to the regular beauty-based offerings such as shower gels, deodorants, hand soaps or minis, then Waken could have the solution for you. To provide everyone with some new options, Waken Mouthcare have created three beautiful and sustainable gift sets that are guaranteed to freshen up smiles and bathrooms.

Each set is packaged in FSC certified cardboard and includes a collection of vegan beauty essentials containing natural mint and other brilliant botanical extracts.

Luscious Lips (RRP £15.00, worth £18.00)

Containing Waken's three new lip balms, which are made from a blend of three brilliant vegan butters (shea, cocoa and mango seed) to help to protect and condition lips. The petroleum jelly-free formulas also boast antioxidant Vitamin E to help protect delicate lips from free radical damage that is linked to premature skin ageing.

Coming with Peppermint, Strawberry & Mint and Lemon & Mint flavours, each Waken lip balm is packaged in infinitely recyclable aluminium making this the perfect stocking-filler for any eco-conscious beauty buffs.

Beautiful When You Smile (RRP£12.00, worth £14.50)

If you're looking for a unique and special gift for your Christmas party host this year, look no further than Waken's Beautiful When You Smile gift set which includes a full-sized 500ml Mouthwash, 75ml Toothpaste and 15ml Lip Balm.

Each Waken Mouthwash is CarbonNeutral® certified and contains natural mint extracts to help freshen breath.

Waken toothpastes contain sodium fluoride to help prevent cavities. Each toothpaste also helps to limit plaque formation and protects against tartar. The tantalising toothpastes are packaged in chic pastel-coloured reused aluminium tubes to upgrade your mundane must-have to a sustainable and sophisticated everyday essential.

The Beautiful When You Smile Sets are available in Peppermint and Strawberry & Mint.
