

Dr.PAWPAW Action Balms

Tackle your day with multipurpose targeted lip solutions from Dr.PAWPAW

RRP: £4.95 each / 8ml

STOCKISTS: www.drpawpaw.com / Marks & Spencer / Holland & Barrett

Dr.PAWPAW, the expert creators of multipurpose products have created three new vegan friendly action balms to arm you with all you need to tackle your day. The multi-use balms have been created to provide targeted solutions. The balms are suitable for all skin types and will fit into your everyday regime from AM to PM.

Nourished, glossy, smooth and full lips - that's exactly what you can expect from these versatile balms. They go beyond intense nourishment to offer gorgeous results including protection, plumping and hydration. The all new balms contain the original multi-award winning **Dr.PAWPAW** formula, its trio of hero ingredients PAWPAW (Papaya Fruit), Aloe Vera and Olive Oil which work in harmony with high performing additions that bring the action.

Plumping Lip Oil / 8ml / £4.95

Dr.PAWPAW Collagen Lip Oil is enriched with a host of hydrating and soothing ingredients with added natural vegetable collagen that will moisturise and rejuvenate. Perfect your pout with this fragrance free oil and with one swipe you'll have plumper, fuller lips, paired with a captivating high gloss. Wear alone or on top of your favourite lipstick.

Key ingredients: PAWPAW (Papaya Fruit), Aloe Vera, Olive Oil, Sunflower Oil, Jojoba, Sweet Almond, Apricot, Vegetable Collagen.

Lip & Eye Balm / 8ml / £4.95

Long lasting hydration for the lips and eye area. This super nourishing lip and eye balm with Hyaluronic acid sinks effortlessly into the skin to deliver an intense flood of hydration. Lips and eye area will be left smooth, soft and noticeably hydrated. Containing the **Dr.PAWPAW** Original formula enriched with PAWPAW (Papaya Fruit), Aloe Vera and Olive Oil, perfectly blended with 2 hyaluronic acids for maximum moisture. Best applied at night time to sink into the lips and delicate eye area and absorb fully whilst you sleep.

Key ingredients: PAWPAW (Papaya Fruit), Hyaluronic Acid, Aloe Vera, Olive Oil, Sunflower Oil.

Lip Balm SPF / 8ml / £4.95

Conditioning lip protection with added SPF. A SPF 20 balm that can be used on lips to soothe and revitalise. Containing Dr.PAWPAW's Original formula, the balm is also enriched with a light mango and coconut fragrance to give you the holiday feels everyday! Gives you the armour you need to protect your lips from both UVA and UVB rays. To be used all year round, this SPF Repair and Protect balm is a must for your daily regime, it's lightweight, super hydrating and absorbs quickly into the lips providing instant and long lasting protection.

Key ingredients: SPF 20, PAWPAW (Papaya Fruit), Aloe Vera, Olive Oil, Sunflower Oil.

Brand Story

Dr.PAWPAW is a family owned and run proud British brand that was created in 2013 by husband and wife team Johnny and Pauline Paterson as a natural solution to soothe their young daughters eczema.

Today **Dr.PAWPAW** is the winner of 40+ global awards and can be found around the world in over 35 countries. They have expanded their range of multi-purpose vegan products, carefully curated to be suitable for the whole family. Strong believers of giving back, **Dr.PAWPAW** champions feel good beauty and donates a % of sales each year to various charities and also drive an eco and sustainable pillar through products, packaging and company culture. In their latest project **Dr.PAWPAW** introduces **YOUR gorgeous SKIN** to the market and now develops into new categories with this powerful, high performance yet simplified vegan skincare range for all.
