The name 'Lotus Biscoff' itself is a combination of 'biscuit' and 'coffee', and The Lotus Biscoff Coffee Break Gift Box (£25) is a nod to that perfect partnership. A great gift for those who love a crunchy, sweet treat to accompany their daily Americano, flat white or latte.

The **Lotus Biscoff coffee break gift box** features an exclusive Lotus Biscoff mug, alongside two packets of Lotus Biscoff Sandwich Biscuits (Biscoff Cream and Milk Chocolate Cream fillings), six individually wrapped single biscuits, a jar of Lotus Biscoff Crunchy Spread, and one 250g packet of classic Lotus Biscoff biscuits.

The Coffee Break Gift Box can be ordered directly from hampers.com via: <https://www.hampers.com/the-lotus-biscoff-coffee-break-gift-box>

Coffee's classic companion has also become a firm favourite with creative chefs and home bakers. Used to create delicious desserts, the caramelised, crunchy little hero has really made its mark in the baking world. Enter **The Lotus Biscoff baking gift hamper** (£45) - the ideal present for those who love to bake up a storm in the kitchen.

This larger hamper is hand-packed into a large hampers.com signature gift box with Lotus Biscoff livery. It includes an exclusive Lotus Biscoff branded apron, two branded wooden spoons, a selection of Lotus Biscoff Biscuits and Sandwich Biscuits, and jars of Smooth and Crunchy spreads.

The Baking Gift Hamper can be ordered via: [hampers.com/the-lotus-biscoff-baking-hamper](https://www.hampers.com/the-lotus-biscoff-baking-hamper)

With Christmas just around the corner, either gift would make for a truly special Christmas present, as well as a brilliant birthday, congratulatory, or simply 'just because' gift (for them or for you).

“
We know just how much people all over the world love Lotus Biscoff's products, so we are thrilled to launch two exciting, exclusive hampers in partnership with the brand. We are expecting stock to fly out fast in the run up to Christmas - so if you're a huge fan, don't wait too long.
