

PETLIBRO

Air Smart Feeder

Smart, cordless, and versatile

The Air Smart Feeder makes it easy to schedule meals and track dietary goals with the Petlibro app. With its cordless and lightweight design, you can place it wherever your pet prefers.

KEY FEATURES

SCHEDULE MEALS & SNACKS - Precision feeding, without the guesswork

Schedule meals and snacks on the app to fit your pet's dietary needs, up to 10 meals a day.

CORD FREE UP TO 30 DAYS - Smart features without cords

With its 5200mAh battery, the the Air Smart feeder operates for up to 30 days* on a single charge, letting you place it virtually anywhere without wires.

WIFI-CONNECTED, APP-POWERED - Stay informed

Receive instant app alerts for low food levels, food blockages, and low battery. You'll always know when it's time to top up or recharge.

ROTOR SEAL DESIGN - Freshness made easy

The secure rotor seal design safeguards against external contaminants, ensuring pet food remains fresh and clean.

PEST-PROOF & SPILL-PROOF - Keep things tidy

Press to seal and say farewell to messy spills and little bugs. Keep pet food secure, even if the feeder topples over.
